Chartered by the California Congress of Republicans

Carl Burton, President

Early this year Duf Sundheim, California Republican Party Chairman appointed me as the Sacramento County Republican Victory 06 Chairman. In making his appointment he said, "California Republicans support the Governor's vision to move our state forward by continuing to strengthen our economy, hold the line on taxes, invest in education, and build the California of the future. I look forward to working with each one of these local leaders to elect Republican candidates, from Governor Schwarzenegger down the ballot, on November 7."

Victory '06 is the statewide grassroots organization supported by the California Republican Party. I have been working with the state leadership and Sacramento County Chairman Donna Schalansky to ensure Republican candidates are elected in Sacramento and across California.

Over the summer 48 Republican Victory Headquarters were opened up in state. To get a list of all of the headquarters visit the web site <http://www.ccrqop.org>

In Sacramento County we have two headquarters: one at 8880 Cal Center Drive, #290, close to highway 50 & Watt Ave. regional field staff working out of the office is Scott Scheid (916-919-7052), he is director of 15 counties. The Folsom Victory 06 Headquarters is located at 2545 East Bidwell Street, #140, serving Alpine, Amador and El Dorado and the eastern part of Sacramento County, field staff working out the office is Joe Patterson (916-919-3384); he is being assisted by Bonnie Williams, President of the Folsom Republican Women's Federation.

Rebekah Anderson (916-240-1176), formerly with Senator Dave Cox's office, has joined the Victory 06 staff here in Sacramento as a roaming field person working out of any office that may need her help here or in San Joaquin County (Stockton).

During the summer I also worked to help set up the Woodland Republican Victory Headquarters at 1837 East Gibson Road, Suite B; the field staff person working out of the Victory 06 Headquarters is Sean Myers (916-240-1142).

Arnold lawn signs and bumper strips can be picked up at any of our headquarters along with material of other candidates, both local and statewide. In order for our Republican team to succeed we need YOU to volunteer your leadership skills and your time and energy to make telephone calls, become a precinct representative, register new voters, help with a

postcard campaign, have a lawn sign in your yard and/or write a letter to the newspaper.

Drop by any of our headquarters to pick up your signs and make a few phone calls while there.

Gov. Schwarzenegger Observes Fifth Anniversary of September 11th Attacks, Dedicates California's Global War on Terrorism Wall of Honor

Governor Schwarzenegger commemorated the fifth anniversary of the 9/11 terrorist attacks by participating in ceremonies in Los Angeles and at the State Capitol in Sacramento. Also in Sacramento at the California State Military Museum, the Governor dedicated the California Global War on Terrorism Wall of Honor.

In conjunction with the President, Governor Schwarzenegger has proclaimed September 11, 2006 as "Patriot Day."

"Like all Americans, I will never forget that horrific morning of Sept. 11, 2001 when life changed forever in the United States and the rest of the world," said Governor Schwarzenegger in a speech at the remembrance ceremony in Los

Angeles. "And as outraged and saddened as I was by the senseless and barbaric loss of so many innocent lives I was also unbelievably moved by the great courage and stamina of the rescue workers."

At the Frank Hotchkin Memorial Training Center in Los Angeles, the Governor joined Mayor Villaraigosa and other city officials, fire fighters and law enforcement personnel, victims groups, state and local dignitaries, and 9/11 victims' families at a remembrance ceremony.

Later, at the State Capitol, the Governor presided over the ceremony with 9/11 survivors and families. He was joined by Matthew Bettenhausen, Director of California's Office of Homeland Security, Mike Brown, Commissioner of the California Highway Patrol and Ruben Grijalva, Director of the California Department of Forestry and Fire Prevention. First responders, including a New York City firefighter who was on duty 9/11, and a World Trade Center survivor also attended today's Capitol ceremony.

To honor those Californians who lost their lives in the Global War on Terrorism, the California State Military Museum is building a "Global War on Terrorism Wall of Honor." Constructed of black granite, this memorial will be located at the entrance of the Museum. The names of 264 service members who died in the attack on the Pentagon on September 11, 2001, as well as those casualties of the Afghanistan and Iraq campaigns will be listed chronologically and will include their rank, branch of service, and age.
